

XTRA HOLD LLC

CAPABILITY STATEMENT

REVIEW DRAFT | OCTOBER 2026

CORE CAPABILITIES

Supply of aluminum foil in **30 sq ft** and **75 sq ft** individual rolls for household, business and institutional purchasing. Wholesale and bulk supply supported through a contract manufacturing relationship.

SUPPLY CAPACITY

Manufacturer capacity reported by the business. Each unit is one individual roll; capacity is available independently for each size.

Period	30 sq ft	75 sq ft
Weekly average	~2,308	~2,308
Monthly	10,000	10,000
Quarterly	30,000	30,000
Annually	120,000	120,000

Combined: 20,000 rolls monthly; 60,000 quarterly; 240,000 annually.

Weekly figures are rounded averages: annual capacity divided by 52.
Capacity is not ready-to-ship inventory.

ORDER PLANNING

Bulk order lead time: 180 days.

Case quantities, minimum order and delivery coverage:
confirm with Hannah Thomas.
